

Wornstaff Friends 2023 Report

Membership

The Friends of Wornstaff group was formed in the spring of 2023 by a group of people who love Ashley and its library. We have five board members and are looking for like-minded people to join us, either on the board or just to help out with fundraisers. Our goal is to raise funds to help supplement the library's budget so that items not covered in the budget, such as the basement renovation, can be planned.

We received our first member in June of 2023. We now have 21 members who donated a total of \$1,461. We hope to grow our membership in the coming year. Please consider joining us...every donation helps.

Expenses:

Bank Fees	\$ 37.00
-----------	----------

Donations:

Library Funding	\$1000.00
-----------------	-----------

Balance:	\$1037.31
-----------------	-----------

2023 Funding for Wornstaff Library

The Friends of Wornstaff contributed \$1,000 in 2023 to fund the 2024 summer reading program.

Fundraising

We held two fundraisers at City BBQ, sold snowflakes and received donations at the library during Christmas in Ashley, and received donations through Kroger Community Rewards.

Thank you to all of our members and supporters for your support in our first year – we truly appreciate you. Thank you to the Wornstaff library staff for helping us think of fundraiser ideas and for being there. We truly have the best library around!
